Math EOY Practice: From now until the end of the year, we will be reviewing and making sure we have mastered all skills. Your child's math homework will be a practice sheet with skills that we are practicing.

Don't Forget:

April 30th - Step Up Night: 6:00 – 7:00 p.m. Step up night is April 30, 2015. Please remember that this night is your child's chance to visit the next grade level and meet the teachers he or she might have. Please remember we will not be holding an open house before school begins in the fall. You will have a chance to come in and meet your child's teacher, though. We invite you to come this week and be a part of this important night so that you can pick up a supply list for next year and find out other needed information. There will be two sessions so that you can visit more than one grade level if you have several children.
